On your part what have you been doing in the last few months?

On February 12 this year and behind our backs, you sent a letter directed against the CPC to fraternal Parties in a plot to take "collective measures" against us. We have repeatedly asked you to send us a copy of this letter. However, to this day you refuse to do so and are still obligated to us on this score.

At the Plenum of the Central Committee of the CPSU on February 14 this year, you delivered an anti-Chinese report and adopted an anti-Chinese decision, crying that you would "come out openly and strongly against the incorrect views and dangerous actions of the CPC leadership".

On April 3 you published the anti-Chinese documents of the February Plenum of the Central Committee of the CPSU and proceeded to launch a new anti-Chinese campaign. According to incomplete statistics, in April alone your central press and that of the Union Republics carried more than a thousand articles and other items attacking China.

You have brought great political and organizational pressure to bear upon fraternal Parties, intensified your subversive and divisive activities within fraternal Parties, and extended your collusion with defectors, renegades, Trotskyites, the Tito clique and reactionaries of every description. For example, you staged the act of betrayal by **Yoshio Shiga**, Ichiso Suzuki and others in order to injure the Japanese Communist Party which we regard as the only true Communist Party in the world. We are determined to continue our struggle for the sake of the Communist Party of Japan and the cause of Marxism-Leninism.
