Building an equitable, budget-friendly collection has never been easier. Get the latest popular titles in your readers' favorite genres delivered monthly to your library—in a more accessible format. Large print standing order plans are an ideal solution to expand and refresh your collection.

SAVE TIME

- Instead of spending hours every month on collection discovery, **rely on the dedicated Thorndike Press editorial team**, which leverages a combined total of 35 years of experience and 24 hours a week on title discovery and selection.
- **Books arrive shelf-ready** for increased convenience.
- **Get curated titles monthly** to support fulfillment throughout the calendar year, from January to December.

ENJOY VALUE & FLEXIBILITY

- All standing order plans include an average **discount of 25% off**.
- All standing order plans come with **free shipping**.
- **Update your plan at any time** and choose from numerous pricing options based on your library's unique needs and budget.

EXPAND DIVERSITY, EQUITY & INCLUSION

- Connect readers to **diversity in both content and format**.
- **Large print is a simple accessibility solution** that is finding younger readers, from screen-weary remote workers to English language learners to individuals with low vision. In a recent survey, 43% of collection development librarians reported large print circulates higher or much higher compared to one year ago.¹
- Thorndike Press is committed to diversity and inclusion. We actively feature **authors and protagonists of traditionally underrepresented groups** in our title lists.
- Your library can **confidently support these collections in budget and administrative decision-making** as an investment in access, equity, and diversity for both adult and youth readers.

RELY ON QUALITY TITLES

- Plans feature **simultaneous publications, bestsellers, popular series, recognized authors, book club picks, and award winners**. Popular genres include mystery, thrillers, romance, crime, horror, fantasy, sci-fi, and more.
- Thorndike Press large print books are **similar in both size and weight to standard print editions**.
- Your library can rely on regular email notifications of your incoming titles and you can expect **100% fulfillment of standing order plans**.

START WITH THE MOST POPULAR STANDING ORDER PLANS

The best large print strategy for your library is the one that supports the needs of your readers. We revamped our most popular plans with a more intentional collection development approach to help you choose options that fit your community.

One of our branches with high circulation is very much a community library. The area has a lot of families, is near high schools ... All ages, all cultures [in that community] have created a really high demand for large print.

AVAILABLE TIER:

Tier 3 | 3 titles a month | 36 a year | \$999

ADVANCE YOUTH LITERACY

Large print is common in adult collections, but the format is just as beneficial for young readers. Research proves large print is a simple literacy solution that helps students improve reading skills like decoding and tracking, reduce anxiety while reading, and enjoy reading more.

Educators observed 74% of below-grade-level readers felt greater confidence in their reading abilities with large print; 47% of English Learners (ELs) increase reading stamina with large print.²

All Thorndike Press youth large print titles are unabridged and feature the same cover art and illustrations as the original editions. Unlike our adult books, youth large print is never labeled as “large print” on the outside cover or spine, so they look very similar to the standard print editions in size and scope.
